LOCAL INTELLIGENCE.

DISCOUNTS.—At a meeting of the stockholders of the Mountain Gold and Silver Mining Company No. 1, held on the 17th inst., the following were elected Directors: Robert Williamson, of Sacramento; B. A. Hendrickson, of Silver Mountain; and Robert M. Folger, of Silver Mountain. The new Board is to be organized at San Francisco on the 11th day of September next—after which the office of the Company will be at San Francisco.

TAX SALES.—The last Legislature passed a special Act extending the time for the sale of delinquent tax property to July 1st of each year. This will allow the Sheriff a period of five months in which to offer the property. This only applies to Alpine county. A general law was also passed making the advertising a charge upon the counties.

INCREASE OF CAPITAL STOCK.—At a meeting of the stockholders of Mountain Gold and Silver Mining Company No. 1, held on the 17th inst., it was unanimously resolved to increase the Capital Stock to \$100,000—100,000 shares of \$100 each. Resolutions were also adopted relating to reserve stock for working purposes.

TO BE TRIED.—Henry Chase has departed for San Francisco to answer to an indictment for cutting wood on the public lands. This is the anticipated result of the woodchoppers raiding through this town, and slaying every available tree—even desecrating the cemetery.

DEPARTED.—J. W. D. Phillips, B. A. Hendrickson and Robert Williamson on Tuesday last departed for their respective homes. They were in attendance at the meetings of the Mountain Company, and expressed their pleasure at the management and prospects.

REMOVAL OF OFFICE.—At a meeting of the stockholders of the Mountain Gold and Silver Mining Company No. 1, held on Monday last, it was unanimously resolved to remove the office of the Company to San Francisco—to take effect on the 11th of September next.

LEGAL DISTANCES.—On account of the usual traveled route between Alpine and Sacramento, etc. being via Carson and Reno, the last Legislature fixed the legal distances as follows:—To Sacramento, 225 miles; Stockton, 253; Napa, 286; San Quentin, 321.

IMPROVEMENTS.—Manager Chalmers is having a carpenter and blacksmith shop erected at the Exchange Mill. It will be 30x60 feet, and is being built in the most substantial manner. A new boarding house and stable will also be erected soon.

INCREASE VOTE.—The November election will exhibit a notable increase of the vote of Alpine county, and large Republican gains. And this will be the result of the large influx of miners from Grass Valley into Silver Mountain.

GONE EAST.—Ole Nelson, of Silver Mountain, departed a few days since to visit his Eastern friends. Mrs. Wm. Mercer, of Monitor, left to visit her friends in England.

RESUMED WORK.—Work on the I X L mine was resumed on Monday last. A large force is to be engaged in sinking, drifting and taking out ore.

RAILROAD.—We understand that the Virginia & Truckee Railroad is to be extended up Carson Valley to Haines Ranch, and probably five miles beyond.

CARSON VALLEY NEWS.—We are glad to learn that the News will soon appear in a new dress, and dispense with its "patent outside."

ADVANCE.—The shaft is down about 200 feet, with good prospects. The new engine was to have been placed in position this week.

THUNDER STORMS.—This week we were favored with two thunder showers, and last night with rain.

BOARD OF EQUALIZATION.—The Board of Supervisors will meet on Monday next as a Board of Equalization.

NEW POSTMASTER.—John Weiss has been appointed Postmaster of Markleville, vice John Simpson, resigned.

TO BE SURVEYED.—Glover & Co.'s U. S. Surveying party will be here within a few days to survey this Township.

On measurement, the whale captured at Monterey last week was found to be 101 feet in length. It yielded about ninety barrels of oil.

Dr. O. N. Morse, of Ione Valley, had his arm caught in the belting of a thrashing machine, a few days since, and it was broken in three places.

The following is the full text of Pi-por's Chinese resolution adopted by the House:

WHEREAS, The Senate has passed a resolution authorizing the appointment of a committee of three Senators to visit the Pacific coast and report to Congress at its next session the character, extent and effect of the Chinese immigration into this country, therefore

Resolved, That the Speaker is hereby authorized to appoint three members of this House to proceed to the Pacific coast after the adjournment of Congress, to investigate, conjointly with some Senate committee, or otherwise, the extent and effect of Chinese immigration into this country, with power to send for persons and papers, to administer oaths, to employ a stenographer and take evidence and report to Congress at its next session.

The resolution was adopted, under suspension of the rules, by the overwhelming majority of 185 against 14.

A Times' Washington dispatch has stated, on the authority of Democratic members of the House, that Hendricks has written a letter to a member of the Indiana delegation, declaring the terms upon which he will accept the nomination for Vice-President. This letter is put forward as an ultimatum, and states in substance that the House must, before adjournment, pass a bill repealing the Resumption act. This action would seal the pledge of the St. Louis platform, and bring the whole party over to the inflation ground, or so near it that Hendricks and his followers could profess to be satisfied. If they can secure this concession in advance, they will vote for Tilden on the ground that he cannot stand in the way of their scheme, since the first important step has been already taken.

The Hospital Committee of San Francisco have reported that there are 73 patients in the Pest House. Of the total number, 59 are suffering from small-pox, viz: 4 women, 2 girls aged 4 years, 1 aged 3 years, 1 babe aged 18 months, 2 negroes and 2 Chinese, the balance being white males. Added to these, 13 lepers and the usual negro complete the list. With the nurses there are now about 100 occupants of the institution. Mr. Gibbs, the Chairman, further stated that the small-pox was largely on the increase, and, until our people should cease employing Chinamen and encouraging Chinese wash houses, there could be no abatement.

The Executive Committee of the Union Soldiers and Sailors have called a Convention, to be held in Indianapolis September 20th, as the call says, "To express our sentiments in favor of the principles for which you contended on flood and field, and to endorse the standard bearers of the party which sustained the Union, and your efforts to preserve it while endangered by domestic foes."

On Sunday last, Con Lacey and two Chinamen were killed by a cave at the Great Western mine, near Middletown, Napa county.

On Saturday last, Stephen Whitehair was killed in the shaft of the Caledonia mine, at Virginia City.

The House has passed a bill to relieve the political disabilities of G. T. Beauregard.

The Senate has concurred with the House in voting \$75,000 for improving the Sacramento and San Joaquin rivers.

A HEALTH PROMOTING STIMULANT.

Physicians who certainly ought to be the best judges of such matters, declare that wholesome stimulation is not only desirable, but essential in many instances. When the temporary good effect of a sound stimulant is confirmed and rendered permanent, as in the case of Hostetter's Stomach Bitters, by the action of tonic and alterative principles combined with it, it becomes infinitely more efficacious as a renovator of physical energy and a corrector of those conditions of the body which invite disease. The Bitters have received the emphatic sanction of medical men who have observed the effect of that popular stimulant cordial as a remedy for weakness, nervousness, dyspepsia, constipation, inactivity of the liver, malarious fevers, and many other disorders. Its basis is pure old rye, the purest liquor known to commerce, and itself possessing tonic properties of no mean order.

MEDICAL.

TASTELESS MEDICINES.

Apprentice New York physician lately complained to DUNDAS DICK & CO. about some medicines they carried, stating that a patient of his had taken them without effect. On being informed that several imitations were sold, he inquired and found that the name of his patient was DUNDAS DICK & CO. He then took this method of protecting physicians, druggists and themselves, and preventing OIL OF SANDALWOOD from coming into disrepute. PHYSICIANS who once prescribe the Capsules will continue to do so, for they contain the pure OIL in the best and cheapest form. DUNDAS DICK & CO. use more OIL of SANDALWOOD than all the Wholesale and Retail Druggists and Perfumers in the United States combined, and this is the sole reason why the Capsules are so successful in their Capsules than in any other form.

OIL OF SANDALWOOD is fast superseding every other remedy, sixty Capsules only being required to insure a safe and certain cure in six or eight days. From no other medicine can this result be obtained.

DUNDAS DICK & CO.'S SOFT CAPSULES solve the problem, long considered by eminent physicians, of how to extract the nausea and disgust experienced in swallowing, which are good effects of many valuable remedies.

Soft Capsules are put up in tin-tin and neat boxes, thirty in each, and are the only Capsules prescribed by physicians.

TASTELESS MEDICINES.—Castor Oil and many other nauseous medicines can be taken easily and pleasantly in DUNDAS DICK & CO.'S SOFT CAPSULES. NO TASTE, NO SWEET.

These were the only Capsules admitted to the last Paris Exposition.
